Phone/Email:

## Type of Project:

- Commercial     Demolition     New Construction     Residential     Remodel

**Purpose:** To identify, outline and execute the methods to be used as the minimum requirements for a construction waste management plan.

**Waste Diversion Rate:**  %

## Construction Waste Jobsite Setup:

- On-Site Sorted (Separate Containers)     Off-Site Sorted (Commingled Recycling Load)

## Construction Waste Hauling Plan:

- Self-Haul: I will haul my own construction waste to the facility/facilities listed below.
- External Roll Off Dumpster Provider: I'll work with a roll of service provider, who will provide the roll off container(s) and transport them to the facility/facilities listed below.

Company Name:

Phone Number:

## Facility/Facilities Where Waste Will Be Taken:

Name of Facility 1:

Name of Facility 2:

Address of Facility 1:

Address of Facility 2:

Phone Number of Facility 1: (If Applicable)

Phone Number of Facility 2: (If Applicable)

## Construction Waste Management Plan Acknowledgement

I acknowledge that I have read this waste management plan and agree to follow the procedures as outlined in this plan.

# Estimated Waste

Fill this out if you are self-hauling your waste. If you need to obtain a permit, you'll most likely be asked to provide this before the permit is issued.

Waste Material Type	lbs. of Waste to be Hauled to Landfill	lbs. of Waste to be Reused or Recycled	Waste Hauler or Reuse Method
Asphalt			
Carpet			
Concrete			
Brick/Masonry			
Cardboard			
Drywall			
Fiberglass Insulation			
Glass			
Landscape Debris			
Lumber/Wood			
Metals			
Mixed Waste			
Pallets			
Plastic			
Rigid Insulation			
Trash/Garbage			
Other:			
<b>Total lbs:</b>			
		Estimated Diversion Rate:     %	

# Actual Waste

Fill this out if you are self-hauling your waste. Use this to document how much you actually haul, reuse or recycle. Attach receipt(s).

Waste Material Type	lbs. of Waste to be Hauled to Landfill	lbs. of Waste to be Reused or Recycled	Waste Hauler or Reuse Method
Asphalt			
Carpet			
Concrete			
Brick/Masonry
